IAS STAFF MEETING MINUTES

5 April 1974

G. Allen

25X1A

25X1A

25X1A

1. Messrs. Allen and [] attended a meeting at Headquarters on Friday morning on the Intelligence Community Staff Study on the performance of the PHOTINT community in a crisis. Almost everyone at the meeting disagreed with the staff study, but for different reasons. The paper will now go back for additional changes.

2. The new NIO for []

25X1A

3. Retroactive pay for all Agency employees will be determined shortly, although it may take several weeks or even months before we actually see the money. A table showing approximate retroactive payments for GS-04 through GS-17 will be circulated next week throughout the divisions.

4. The latest in the Marchetti case--the judge has declared that only 28 of the 140 statements are classified.

5. The Agency has decided to circulate a paper which all employees must sign stating that they have no additional knowledge of Watergate.

25X1A

6. [] reported on the Executive Council meeting he attended today at Headquarters:

a. Today's National Intelligence Daily incorporates a summary which is patterned after the New York Times. USIB has approved going ahead with the National Intelligence Bulletin to replace the Central Intelligence Bulletin.

b. The NSCIC has been charged with making a review of the NRO and its operation.

25X6

c. []

d. It was announced that 11 May will be Alumni Day.
